Understanding the USPS Typing Test

What Is the USPS Typing Test?

The USPS typing test is a timed assessment that measures your ability to type accurately and quickly. Typically, the test requires you to transcribe a series of words within a specific time frame, usually 7 minutes. Your score is based on the number of words typed correctly, which then determines your eligibility for various USPS positions such as mail carriers, clerks, or administrative staff.

Why Is the Typing Test Important?

The USPS emphasizes efficient communication and data entry skills for many of its roles.
